

**Andrew Jackson Birch Memorial Scholarship
Fundraising Dinner & Auction
Sponsored by the Pullman Moose Lodge (SE 150 Kamiaken)**

About the Scholarship

This memorial scholarship was established at WSU, in memory of Andrew Jackson Birch, who died on August 2, 1998. Those who knew him can attest to his love of history, literature, philosophy, study of religion, & politics. So we develop a textbook scholarship in line with the subjects he loved so passionately. The scholarship is administered by the College of Liberal Arts. It will be made available to **graduates of Pullman High School. Preference will be given to residents of Albion and members or relatives of Moose Lodge members.** Once the scholarship fund is fully endowed we will be able to provide scholarships for many years in the future. The first AJB Scholarship recipient was Ms. Michele Thivierge, the second and current recipient is Bryce Elder.

For more info on the scholarship call Dory Lohrey-Birch 335-5422 or email at entom@wsu.edu. Tax deductible donations may be mailed to the following: Kay Ann Glaser, Development Coordinator, College of Liberal Arts Alumni & Development Office, PO Box 642630, Pullman, WA 99164-2630. Checks should be payable to the Andrew Jackson Birch Memorial Scholarship.

The generosity of those who support this effort by donations for the auction and helping with the dinner continues to astound us. Thus far \$16,441.00 has been raised since 1998. Words alone cannot express our gratitude for your help with this effort. You are awesome!!!

We extend our thanks to those who have supported this scholarship and participated in the past events. Your support is appreciated more than you know.

Dory Lohrey-Birch & Dave Birch
